

The Winery Restaurant & Wine Bar

Celebrating 10 Years!

The Winery Restaurant & Wine Bar opened in 2007 as a dream come true for Partners JC Clow, William Lewis, and Chef Yvon Goetz - better known as "The Boyz." Together, they wanted to create a hip, vibrant, and sophisticated setting for their guests to enjoy a cutting-edge dining experience — *and* throw the "Best Damn Party in OC" on a nightly basis. After just 6 years in business, The Boyz opened their second location on the waterfront in Newport Beach and will soon be welcoming their third restaurant in La Jolla this fall. Cheers!
